

Perfecting Diamonds

**Exceptional, professional coaching
combined with experiential learning in a
wilderness environment, for authentic
leadership**

Wild Intelligence Coaching brings together professional career coaching for goals you want to achieve with creative facilitation processes to achieve them. This unique program combines innovative goal directed coaching and process based wilderness experiences for you to:

- Shine as a leader, with integrity, clarity and strength
- Clarify your personal vision; find authenticity, courage and certainty for exceptional charismatic leadership
- Initiate a prioritised action plan to be able to meet the coming business challenges.
- Harness your intuition, using all of your abilities to make wise business decisions.
- Find a sense of well-being again; take care of yourself so you can take care of others and have a balanced life

**Kati Järvinen, Maarit Tiililä,
Jonathan Middlemiss**
